Bilateral Meetings

- Thursday 10:00 - 12:00
- Thursday 13:00 - 16:30

Description

AliénorEU is a consultancy and communication agency specialised in European environmental policies and based in Brussels. We have been involved in different EU projects as dissemination WP leader. Our expertise in communication and European policies allows us to ensure an adequate dissemination of the results of innovative projects, therefore bringing the results of the project closer to the citizens, policymakers and the industry.
