

Simon Rek

Sales Representative

GLOBAL Hydro Energy GmbH

Bilateral Meetings

- Thursday 10:00 - 12:00
- Thursday 13:00 - 16:30

Description

GLOBAL Hydro is the primary contact worldwide for hydropower technologies and secures a liveable environment for the next generations due to innovative solutions. We are specialists in Kaplan, Pelton and Francis turbines with capacities of 100 kW to 25 MW. With our products HEROS 4.0, our fully automated turbine and plant control system, as well as smarT, GLOBAL Hydro's fully assembled PLUG-IN power plant solution, we are offering our customers sustainable package solutions.
