Description

Platform 125 (P125) is a network encompassing more than 20 private companies, non-profit actors, research and institutional entities, operating in Trentino. Platform 125 members are interested in working with the Balkans in concrete sustainable development projects. P125 aims at supporting the path to European integration, undertaken by the Countries of the area, and at fostering an inclusive and respectful growth in line with the objectives of the 2030 Agenda for Sustainable Development, through an economic cooperation driven by the principles of ethics, reciprocity and know-how transfer.
